

Invitation

Planes, Trains and Automobiles Seminar *Thursday 11th March 2010* *09:30 - 13:00*

Derby City Council, East Midlands Development Agency (*emda*) and Derbyshire Chamber of Commerce recently launched a report that highlights the importance of the railway, automotive and aerospace industries in Derby.

The research identifies the specific strengths and weaknesses, opportunities and threats in each sector and the interrelationships between them. It seeks to understand the future prospects and issues which need to be addressed to secure positive outcomes.

We would like to invite you to a seminar to be held from **09:30 -13:00** on **Thursday 11th March** which will look at the key findings of the research and provide an opportunity to discuss the recommendations and next steps.
